INSTRUCTIONS

Notes:

- Before working with Caron® x Pantone™ multi-shade yarn braid, separate each color link and wind into 5 separate balls.

- Each color link will be referenced by its Pantone # (see ball band).
- Designate each different shade of the 5 separate yarn balls as Contrast A, B, C, D, E, etc as noted with Materials (or as desired).
- Due to finite amount of yarn in each shade, pattern gauge must be matched to ensure successful results.
- Cowl is knit in the rnd and seamed tog to create a double thickness tubular Cowl.
