Notes:

- Before working with Caron® x Pantone™ Bamboo™ multi-shade yarn braid, separate each color link and wind into 5 separate balls.

- Due to finite amount of yarn in each shade, pattern gauge must be matched to ensure successful results.

Intarsia Note: When working from charts, use separate ball of yarn for each separate area of color in the design. To change colors, wind the 2 colors around each where they meet, on WS, to avoid a hole
