INSTRUCTIONS

Notes:

- Before working with Caron multi-shade yarn braid, separate each color link and wind into 5 separate balls.

- Each color link will be referenced by its Pantone # (see label).
- Designate each different shade of the 5 separate yarn balls as Contrast A, B, C, D, E, F, G, H, I, and J as noted in Materials section (or as desired).
- Due to finite amount of yarn in each shade, pattern gauge must be matched to ensure successful results
- MC is always Color 2; Contrast A-J are Color 1. Follow diagram to determine which contrast color to use for each individual Square.
