Note: The featured leash is made for a medium- to large dog. Scale pieces accordingly for a smaller or larger pet

SEWING | SKILL LEVEL: **BEGINNER**

Featuring Coats & Clark Dual Duty XP® All-purpose Thread

Add a little holiday pizzazz to your best buddy's leash and collar. Whether it's a party or just a daily walk, your pet is sure to appreciate the extra fashion statement. Make our coordinating Doggie Bow Tie Collar.

MEASUREMENTS

Finished size: Custom

CUTTING

WOF = Width of Fabric

From the leash fabric, cut:

(2) strips, 1 1/2" (3.81cm) x WOF

ASSEMBLE THE LEASH

1. Sew the short ends of the fabric strips together and press the seam open.
2. Press under 1/4" (.64cm) on both long strip edges.
3. Pin the fabric strip to the leash webbing, sliding any buckles, rings, or sliders out of the way as needed to thread the fabric along the webbing.

4. Edgestitch the fabric strip edges to the webbing as far as you can go by machine, without catching in the loop or latch loop.
5. Hand-stitch the remaining areas to attach the fabric to the webbing.
