Knit 2 rows. Cast off knitwise (WS).

**Left Front Band:** Work as given for Right Front Band, picking up sts from fold line of Collar to cast on edge of Left Front.

Sew the zipper in position under front bands.

Fold Collar in half to WS along fold line and sew cast off edge in position, and side edges enclosing zipper tape.

## ASSEMBLY DIAGRAM

## SEWING SHOULDER SEAMS

Use this seam when sewing 2 cast off edges such as shoulder seam. The seam matches the edge's stitch for stitch and resembles a row of knitting which covers the cast off edges.

## SEWING ARMHOLE SEAMS

Use this method for a seam joining a side edge and a cast off edge, such as the top of a sleeve. Work this seam with right side of garment facing in a similar way as joining 2 side edges. Lay pieces side by side and pin together carefully easing cast off edge (if necessary) into side edge. Work this seam under 1 or 2 row of stitches as necessary making sure seam retains elasticity.

## PICKING UP STITCHES

### Picking Up Along a Shaped Edge

On the shaped section of a neck edge, insert the right-hand needle into the stitches one row below the side edge. Do not insert the needle between stitches as this may form a hole. Insert the needle into the center of the stitches and draw through a loop to make a new stitch as before. Tip: use a crochet hook to pull up stitches when your knitting is very tight around a shaped edge.

### Picking Up Along a Side Edge

With the right side facing, insert the point of the right-hand needle from front to back between first and second stitch of first row (working one whole stitch in from side edge). Wind yarn around the point of the needle and draw the loop through as though knitting a stitch. A new stitch is now formed on the right hand needle. Continue in this way along the edge until the required number of stitches has been picked up. Tip: pick up stitches over 3 rows, then skip 1 row to prevent picking up too many stitches along side edge. If you are working with thick yarn, work through the center of each edge stitch to reduce the bulk.
