INSTRUCTIONS

The instructions are written for smallest size. If changes are necessary for larger size(s) the instructions will be written thus (.). Numbers for each size are shown in the same color throughout the pattern. When only one number is given in black, it applies to all sizes.

Notes:

- Cardigan is worked from the neck edge down in 1 piece.
- When working from charts, carry yarn not in use loosely across WS of work but never over more than 5 sts. When it must pass over more than 5 sts, weave it over and under color in use on next st or at center point of sts it passes over. The colors are never twisted around one another.
- There is a 6-st selvedge at center front of Cardigan (first and last 3 sts of each rnd), which have been allowed for steeking. Work will be steeked at center front, with button bands picked up. Charts are provided for colorwork in the steek section to ensure all shades are anchored in this section.

Patons® STRANDED AND STEEKED KNIT CARDIGAN

in the 6-st selvedge if desired. Ensure that ends of stranded colorwork are facing away from the section to be steeked.

Cutting line for steek will be at center front of Sweater, in between the *first* and *last* st of the rnd. It may be helpful to work a running st along the cutting line in a contrasting color. With a tapestry needle and MC, work 4 rows of backstitch following the st diagrams, with 2 rows on either side of center front cutting line. Use a short st length, ensuring that each st down length of Sweater is secured. Work sts *into* each strand of yarn where possible. Weave in ends of MC.

Cut down center front, being careful to cut *in between* first and last st of rnd. Once length of garment has been cut, button bands may be picked up. Selvedges may be tacked down once garment is complete.

Buttonhole Band

With RS facing, and smaller circular needle, pick up and knit **118** (**118-126-126-134-142**) sts evenly along Right Front edge to cast

off edge of neckband, picking up sts in the ditch between last st of Selvedge and first st of Body.

Proceed in (K2. P2) ribbing as follows:

1st row: (WS). P2. *K2. P2. Rep from * to end of row.

2nd row: K2. *P2. K2. Rep from * to end of row.

5th row: Work in (K2. P2) ribbing, casting on 2 sts over cast off sts. Work 4 more rows of (K2. P2) ribbing. Cast off in ribbing.

Button Band: Work as for Buttonhole Band, picking up sts along opposite side edge and omitting all references to buttonholes.

FINISHING

Pin garment to measurements. Cover with a damp cloth, leaving cloth to dry. Sew on buttons to correspond to buttonholes.
