INSTRUCTIONS

The instructions are written for smallest size. If changes are necessary for larger size(s) the instructions will be written thus (.). Numbers for each size are shown in the same color throughout the pattern. When only one number is given in black, it applies to all sizes.

Notes: Pullover is worked from neck edge down in one piece.

When working from chart, carry yarn not in use loosely across WS of work but never over more than 5 sts. When it must pass over more than 5 sts, weave it over and under color in use on next st or at center point of sts it passes over. The colors are never twisted around one another.
