Chain Wrap Bracelet

You only need to make a chain to have this casual and cool bracelet. Just chain, make a button loop, sew on button, and wear it! This is a perfect gift idea.

Measure your wrist and multiply that number by 4. This will be the length of the chain you will crochet.

BRACELET

1. Make a slip knot and crochet a chain to measurement equaling 4 times your wrist measurement. [6" (15.2 cm) wrist = 24" chain; 7" (18 cm) wrist = 28" (71 cm) chain; 8" (20 cm) wrist = 32" (32 cm) chain]. Fasten off leaving a 10" (25 cm) tail.
2. Insert tail in yarn needle, make loop to fit around button, take a small stitch to secure. Weave in end and trim excess yarn.
3. Using yarn needle, weave in beginning end. Sew button to this end with sewing needle and thread.
