## Special Stitches

**dc2tog** = [Yarn over, insert hook in next stitch, yarn over and pull up loop, yarn over, draw through 2 loops] 2 times, yarn over, draw through all loops on hook.

## Note

To change colors, complete last dc with first color, then insert hook into 3rd ch of beginning ch-4. Drop first color and draw new color up through ch and loop on hook, joining round with a slip st. Continue with the new color. Carry the first color inside the piece and bring it up again when needed. Change color at the end of each round.
