# Ruffled Wedding Bag

*Girls of all ages will love this adorable ruffled bag—perfect for a flower girl's petals or to carry small necessities for the bride and bridesmaids. This lace yarn is available in a range of shades, so you're sure to find one that will work with your outfit.*

**Bag measures 8" wide x 7" high (20.5 x 18 cm), including ruffles and with open top**

## Special Stitches

**reverse sc** (reverse single crochet) = Work single crochet in opposite direction from which you would usually work (left to right if you are right-handed and right to left if you are left-handed). This stitch is also known as crab stitch. It creates a rope-like twisted single crochet edging.

**rfsc** (ruffle single crochet) = With holes at top, hold **B** together with **A**, insert hook in indicated space and thru next hole of **B** from front to back, insert thru next hole of **B** from front to back, yo with **A**, draw up a loop (through both holes of **B** and current st) (2 loops on hook), yo, pull thru both loops.

## Notes

1. Bag is worked from bottom up in 6 joined rounds with right side facing, then remainder of piece is worked in turned rounds. Drawstrings are woven through eyelet row.
2. Lace yarn has holes running along one side. Holding both yarns together, work into each hole of lace yarn to create fullest ruffles.
3. To join **B**, hold yarn to inside of bag, working around **B**, slip stitch to join round. Carry **B** up side of bag until next needed.
4. If you prefer, drawstrings can be made with smaller hook and **A** instead of satin ribbon.
