Fair Isle Crochet Cowl

Enjoy this crochet version of Fair Isle that has traditionally been a knit technique. This "X" and "O" pattern is perfect to give as a gift to someone dear to you.

Directions are for size Small/Medium; changes for sizes Large/X-Large are in parentheses.

Finished Measurements: 9½" [24 cm] tall x 22 (28)" [56 (71) cm] circumference

NOTES

1. Cowl is worked in rounds. All rounds are worked with right side facing.
2. Work all stitches in back loops only, unless pattern says to work into both loops.
3. Pick up new yarn from under old to twist yarns and prevent holes. Carry colors not in use loosely along wrong side of work. On next round, work over carried yarn of previous round to hide.
4. When changing colors, work last step of last st of previous color with new color.

COWL

With **A**, ch 80 [100], slip st in first ch to form a ring, being careful not to twist chain.

Round 1 (Right Side): Ch 1 (does not count as a st here and throughout), working in both loops, sc in same st as join and each ch around, slip st in first sc to join – 80 (100) sc.

Round 2: Ch 1, working in back loops only and beginning with Round 2 of Fair Isle Chart, work 20-st repeat of Chart in sc around.

Working in back loops only, work Fair Isle Chart in sc until Round 32 has been completed, then work Rounds 1-5 once more. Fasten off.

FINISHING

Weave in ends.

Abbreviations

A, B, C = Color A, B, C; **ch** = chain; **cm** = centimeters; **mm** = millimeters; **sc** = single crochet; **st(s)** = stitch(es).
