Hand-Crochet Cowl

This yarn looks like i-cord that has already been knit. All you do is wind it into a ball, then follow our 3-row pattern using your hands to chain and single crochet—that's right, no crochet hook!

FINISHED SIZE

Size will vary depending on size of chains.

NOTE

Before you start, untwist yarn hank and lay out in a circle. Snip off string holding hank together. Wrap yarn loosely into a ball. Tie a knot at each end of the yarn.
Your hand will become the crochet hook in this pattern. (no hook needed)

COWL

Row 1: Using your hands, loosely chain 4 stitches, turn.

Row 2: Continuing using your hands, sc in second chain from hook, sc in each of the next 2 chains. Ch 1 and turn.

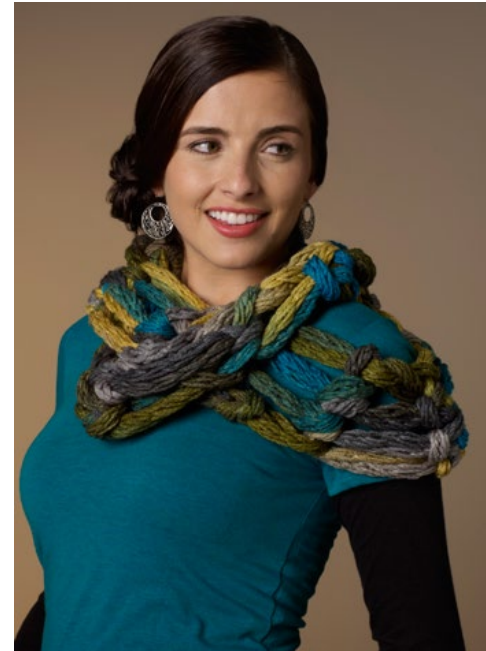

Row 3: *Sc across 3 stitches. Ch 1 and turn. Repeat from * until desired length is reached leaving at least an 8" tail. Fasten off.

Finishing

With the remaining tail, sew the short ends of the cowl together. Weave in or sew down the tails. Gently stretch cowl to loosen stitches.

ABBREVIATIONS

sc = single crochet; ch = chain
