

Warm & Twisted Mobius Cowl

Not every Mobius needs to be knitted...here is one to crochet! This elegant yarn has subtle color changes and a dash of metallic that is perfect for daytime and into the moonlight too.

Designed by Rebecca Velasquez.

Cowl measures 10" wide x 14" long, 28" in circumference.

NOTE

Mobius twist: With live loop in your right hand, grasp beginning sc of work in your left hand, being careful there are no twists, bring ends together. Make a half twist in the work in your left hand by turning the piece toward you, rotating the foundation chain from the bottom to the top. You will now treat the bottom loops of the foundation chain equal to top, "working" loops.
