Ch(s) = Chain(s)
Dc = Double crochet
Dcfp = Yoh and draw up a loop around post of next st at front of work inserting hook from right to left. (Yoh and draw through 2 loops on hook) twice
Fpdec (Front post double decrease) = Yoh and draw up a loop around post of same dcfp as last st worked at front of work inserting hook from right to left. (Yoh and draw up a loop around post of next dcfp worked at front of work inserting hook from right to left, Yoh and draw 2 loops on hook) twice. Yoh and draw through all 5 loops on hook. Skip st centered "behind" Fpdec, unless otherwise instructed. Yoh and draw through all 9 loops on hook. Ch 1 tightly to close.

Note: Closing ch-1 is part of FpPuff and does not count as a separate st. Skip st "behind" FpPuff, unless otherwise instructed.

## INSTRUCTIONS

## Notes:

- Take care to skip top of sts "behind" each post st, unless otherwise instructed.
- When instructed to work around st "2 rnds below" work in to the indicated st in the rnd numbered 2 less than the rnd being worked. For example, if you are working 17th rnd, st "2 rnds below" is 15th rnd.
- When instructed to work into or around the "same" st, this means you should work into or around the st that was last worked into or around.

## HAT

With larger hook, make adjustable ring: Wrap yarn into a ring ensuring that the tail falls behind working yarn. Grip ring and tail between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work sts of first rnd in the ring. After the first rnd of sts is worked, pull gently on tail to tighten ring.
