

## What you will need:

RED HEART® Super Saver Pooling™: 2 skeins 8302 Carnival Pooling

Susan Bates® Crochet Hook: 5mm [US H-8]

Extra hooks in neighboring sizes (see notes)

Yarn needle

GAUGE: 3 full sc sts per each length of one color in Moss st. CHECK YOUR GAUGE. Use any size hook to obtain the gauge given.

RED HEART® Super Saver Pooling™, E300P

available in 5 oz (141 g), 236 yds (215 m) skeins

# Perfect Planned Pooling Scarf

This shade of Super Saver has been engineered to make it easier to achieve the pooled plaid effect. Make sure to read the notes for more information on this unique and fun way to crochet plaids!

Scarf measures 7½ x 80" (19 x 203 cm)

### **NOTES**

- This yarn has been specially designed to get 3 sc in each color in the sequence when worked in Moss st.
- 2. Each color length, or 3 repeats, should measure about 1½" (4 cm) across in Moss st. However, it is more important that you follow the percolor gauge than the per-inch gauge.

### **MOSS STITCH**

Ch an even number of sts.

**Row 1:** Sk 3 ch, sc in next ch, \* ch 1, sk 1 foundation ch, sc in next ch; repeat from \* to end, turn.

Row 2: Ch 2 (counts as a stitch now and throughout), sc in next ch-1 space, \* ch 1, sc in next ch-1 space; repeat from \* to end finishing with a sc in last ch-3 space, turn.

Row 3: Ch 2 (counts as a stitch now and throughout), sc in next ch-1 space, \* ch 1, sc in next ch-1 space; repeat from \* to end finishing with a sc in last ch-2 space, turn.

Repeat Row 3 only for Moss st.

## **SCARF**

Ch through 1 full color sequence, with the last loop on hook being the first loop of a new color just after a color change in the yarn.

Row 1 (right side): Sk 2 ch (counts as a sc), sc in the 4th ch from hook, \* ch 1, sc around the foundation ch (instead of going into a ch st); repeat from \* until 1 full color sequence has been completed. The number of sc made in each individual color in the sequence should be 3. Leave remaining ch sts unworked. Undo one st repeat (sc, ch 1), turn.

**Note:** If at this point you are NOT getting 3 sc per color, then redo the row with a different hook size. Getting 3 sc per color with this yarn is essential to making this technique work.

Row 2 (wrong side): Ch 2 (counts as a sc now and throughout), sc in next ch-1 space, \* ch 1, sc in next ch-1 space; repeat from \* to end finishing with a sc in last ch-2 space, turn.

**Note:** As you work this row and all remaining rows, you MUST get the correct number of sc in each color in order to maintain the planned color pooling. Change hook sizes, or actual st used, to get the correct color in place.

Row 3 (right side): Ch 2 (counts as a sc now and throughout), sc in next ch-1 space, \* ch 1, sc in the next ch-1 space; repeat from \* to end, finishing with a sc in last ch-2 space, turn.

**Note:** The color of the sts on this row will shift to the left or right by 1 st from the previous right side row depending on the colorway and if you are right or left handed. It doesn't matter which direction the stitch shifts as long as it is off-set by 1.

Row 4 (wrong side): Ch 2 (counts as a sc now and throughout), sc in next ch-1 space, \* ch 1, sc in the next ch-1 space; repeat from \* to end, finishing with a sc in last ch-2 space, turn.

**Note:** The color of the sts on this row will shift to the left or right by 1 st from the previous wrong side row depending on the colorway and if you are right or left handed. It doesn't matter which direction the stitch shifts as long as it is off-set by 1.

**SHOP KIT** 

Marly Bird

Repeat Rows 3 and 4 until Scarf measures 80" (203 cm). Fasten off.

# **FINISHING**

Squish or stretch the sts on foundation chain to match the width of the rest of the scarf. You can slide the sts around along the foundation chain, as with an adjustable ring. Unravel unused foundation ch sts and weave in yarn tail to secure foundation.

Weave in remaining loose ends.

### Fringe

Attach fringes at each ch-1 sp at each short end of Scarf as follows:
Cut 2 strands of yarn, 12" (30.5 cm)
each. Fold strands at center. Use hook to pull center of strands through edge st, then pull ends of strands through the resulting loop and pull tight.
Trim fringe evenly.

### **ABBREVIATIONS**

ch = chain; hdc = half double crochet; sc = single crochet; st(s) = stitch(es); \* or \*\* = repeat whatever follows the \* or \*\* as indicated.
