SHOP KIT

Wrapped in Elegance

You'll love the comfortable feel of this luscious shawl in wonderfully shaded, self-striping yarn. It incorporates herringbone half double crochets which is a fun variation of regular crochets.

Shawl measures 17" wide x 60" long (43 x 152.5 cm).

Notes

1. Center panel of wrap is worked in turned rows. Side panels are worked across each end of center panel.
2. Four rows of edging are worked across side and bottom edges of each side panel and across bottom of center panel. Edging finishes in a round around entire piece and with a row of reverse single crochet across the top edge.
