Into the Wild Scarf

Here's a fun way to have an extra ruffly crocheted scarf. Just read the Notes from the designer and follow the Special Stitches as you make this ruffled beauty. You'll love wearing or giving it!

Scarf measures about 5" (12.5cm) wide and 58" (147.5 cm) long

Special Stitches

Sassy-beg-dc (sassy beginning double crochet) = With loop of **A** on hook, hold **B** with right side (darker side) facing you and holes along top, [insert hook through next hole, yarn over with **A** and draw loop back through hole and through loop on hook] twice, ch 1.

Sassy-dc (sassy double crochet) = With loop of **A** on hook, hold **B** with right side (darker side) facing you and holes along top, insert hook through next hole, yarn over with **A**, insert hook in next stitch, yarn over with **A** and draw through stitch, yarn over with **A** and draw through 2 loops of **A** and back through hole (2 loops of **A** remain on hook), yarn over with **A** and draw through both remaining loops on hook.

Sassy-sc (sassy single crochet) = With loop of **A** on hook, hold **B** with right side (darker side) facing you and holes along top, insert hook through indicated hole, insert hook through next stitch, yarn over with **A** and draw through stitch and back through hole (2 loops of **A** remain on hook), yarn over with **A** and draw through both loops on hook.

Notes

1. Read the instructions carefully. It can take a little concentration to understand and work the first few rows. Then the technique will become easier and easier to perform.
2. All crochet stitches in this design are worked with **A**. There are holes running along one side of **B**. You will be crocheting with **A** through the holes in **B**.
3. When folding **B** on first and last rows, paper clips can be used to hold fabric in place as you work.

SCARF
Row 1

1. Trim **B** as close to first hole as possible without cutting the hole.
2. With right side (darker side) of **B** facing, counting first hole as 1, 2nd hole as 2, etc., fold **B** between the 6th and 7th hole, so that holes 1-6 are behind holes 7-12.
3. Insert hook through first pair of holes (holes 7 and 6), leaving a long beginning tail to weave in later, yarn over with **A** and draw through hole, yarn over with **A** and draw through loop on hook. **A** is now attached to **B**.
4. Insert hook in same hole as attaching, yarn over with **A** and draw through hole (2 loops of **A** on hook), yarn over with **A** and draw through both loops on hook. One sc has now been worked into one hole pair of **B**.
5. Work sc into each of the next 3 pairs of holes (hole pair 8 and 5, 9 and 4, and 10 and 3). **A** total of 4 sc have now been worked.
6. Fold **B** again between holes 1 and 2 so that hole 1 is inside, between holes 11 and 2. Work sc through this triple of holes (holes 11, 1, and 2). **A** total of 5 sc have now been worked to complete the first row (1 loop of **A** remains on hook).
7. Turn work counter-clockwise so that, once turned, **B** is in front of work (darker side of **B** should still be facing).

Row 2: Sassy-beg-dc (counts as first dc, do not work into first st of previous row), sassy-dc in each of next 4 sts, turn work counter-clockwise so that, once turned, **B** is in front of work (darker side of **B** should still be facing) – 5 dc.

Repeat Row 2 until 12 to 17 holes of **B** remain unworked.

Last Row

1. Trim **B** so that only 12 holes remain, cutting as close as possible to 12th hole.
2. Insert hook in next hole, yarn over with **A** and draw through hole and loop on hook (for turning ch). There should now only be 11 holes of **B** remaining unworked.
3. Counting hole closest to hook as 1, next hole as 2, etc., fold **B** between 5th and 6th hole so that holes 6-10 are now behind holes 1-5, then fold **B** again between holes 10 and 11 so that hole 11 is inside, between holes 1 and 10. Work sassy-sc through the triple hole (holes 1, 11, and 10).
4. Work sassy-sc into each of next 4 hole pairs. Fasten off.

FINISHING

Weave in ends.
