Note from Marly: I would like to thank my constant cheerleader and fierce friend, Rebecca Velasquez, for her contribution to the **Chic Sheep by Marly Bird™** collection. Rebecca's passion for unique stitches coupled with wearable shapes made her the perfect choice to design a wrap that showcased crochet cables that look as if they are floating on a bed of chain stitches. This wrap is a great layering piece for that chilly afternoon out or just for wrapping up on the couch and enjoying a cup of tea.
