## Romantic Pineapple Shawl

[^0]
## Shawl measures about 64 " ( 162.5 cm ) wide by 34 " ( 86.5 cm ) long

## Special Stitches

edc (extended double crochet) = Yarn over, insert hook in indicated stitch, yarn over and pull up a loop, yarn over and draw through 1 loop on hook, [yarn over and draw through 2 loops on hook] twice
CI (cluster) = Yarn over, insert hook in indicated stitch or space, yarn over and pull up loop, yarn over, draw through 2 loops on hook (2 loops remain on hook); yarn over, insert hook in same stitch or space, yarn over and pull up loop, yarn over, draw through 2 loops, yarn over, draw through all 3 loops on hook. beg-CI (beginning cluster - worked at the beginning of a row) $=$ Ch $1, \mathrm{dc}$ in indicated space.
$\mathrm{Cl}-\mathrm{V}$ (cluster V-stitch) $=(2-\mathrm{dc} \mathrm{Cl}, \mathrm{ch} 2,2-\mathrm{dc} \mathrm{Cl})$ in indicated stitch or space.
Cl-inc (cluster increase) $=(\mathrm{Cl},[\mathrm{ch} 2, \mathrm{Cl}]$ twice) in indicated stitch or space.
pineapple-top $=$ [Yarn over, insert hook in same ch-2 space as last st made and pull up a loop, yarn over and draw through 2 loops on hook] twice (3 loops remain on hook), skip next 2 ch-3 spaces, yarn over, insert hook in next ch-2 space and pull up a loop, yarn over and draw through 2 loops on hook (4 loops remain on hook), yarn over, insert hook in same ch-2 space and pull up a loop, yarn over and draw through 2 loops on hook, yarn over and draw through all 5 loops on hook (spanning-dc4tog made), ch 4, slip st between the 2 nd and 3 rd dc of the dc4tog just made.

## Notes

1. Body of shawl is worked from the lower center point upwards. Stitches are increased on the side edges to form a triangle.
2. The pineapple border is worked back and forth in rows across diagonal edges of the
triangle. Final edging is worked all the way around all outer edges of the shawl.
3. Read instructions carefully. Pay extra attention to the difference between a Cl (cluster), a CI-V (2 clusters separated by a ch-2 space), and a Cl-inc (3 clusters separated by ch-2 spaces).
4. Weave in ends as you go, to reduce the amount of weaving in needed when finishing.

ch = chain; dc = double crochet; sc = single crochet; $\mathrm{st}(\mathrm{s})=$ stitch (es); $\mathbf{t r}=$ treble (triple) crochet; ( ) = work directions in parentheses into same st; [ ] = work directions in brackets the number of times specified; * or ** $=$ repeat whatever follows the * or ** as indicated.

[^0]:    Pineapples may have a tradition as being the favorite crochet motif, but there is nothing old-fashioned about this breathtaking modern shawl. Crochet it in a bright color for a spectacular look or fashion it in white for a bride.
