## All Around Warm Jacket

*This cozy jacket is crocheted by doing the back in rows and then crocheting rounds around the back rows. This yarn has a bit of sparkle for an updated look that is as perfect with a cocktail dress as with jeans.*

Directions are given for size Small. Changes for sizes Medium, Large, Extra Large and 2X Large are in parentheses.

### NOTE:

Jacket is worked by creating a flat back (rows) and remaining body is worked in rounds, around back.

All rounds are worked in a spiral method, so insert stitch markers in first st of each round, to keep an accurate row end location and count.

Adjust sleeve length by doing more or fewer repeats of Round 50.
