# Planned Pooling Pom-pom Scarf

Use this yarn to create a plaid scarf without having to add a new skein of yarn for each color change. The yarn does the color changing for an amazing look! Pom-poms add a modern fun finishing touch!

**Scarf measures 7½ x 80" (19 x 203 cm)**

## NOTES

1. This yarn has been specially designed to get 3 sc in each color in the sequence when worked in Moss st.
2. Each color length, or 3 repeats, should measure about 1½" (4 cm) across in Moss st. However, it is more important that you follow the per-color gauge than the per-inch gauge.

## MOSS STITCH

Ch an even number of sts.

**Row 1:** Sk 3 ch, sc in next ch, \* ch 1, sk 1 foundation ch, sc in next ch; repeat from \* to end, turn.

**Row 2:** Ch 2 (counts as a stitch now and throughout), sc in next ch-1 space, \* ch 1, sc in next ch-1 space; repeat from \* to end finishing with a sc in last ch-3 space, turn.

**Row 3:** Ch 2 (counts as a stitch now and throughout), sc in next ch-1 space, \* ch 1, sc in next ch-1 space; repeat from \* to end finishing with a sc in last ch-2 space, turn.

Repeat Row 3 only for Moss st.

## SCARF

Ch through 1 full color sequence, with the last loop on hook being the first loop of a new color just after a color change in the yarn.

**Row 1 (right side):** Sk 2 ch (counts as a sc), sc in the 4th ch from hook, \* ch 1, sc around the foundation ch (instead of going into a ch st); repeat from \* until 1 full color sequence has been completed.

The number of sc made in each individual color in the sequence should be 3. Leave remaining ch sts unworked. Undo one st repeat (sc, ch 1), turn.

**Note:** If at this point you are NOT getting 3 sc per color, then redo the row with a different hook size. Getting 3 sc per color with this yarn is essential to making this technique work.

**Row 2 (wrong side):** Ch 2 (counts as a sc now and throughout), sc in next ch-1 space, \* ch 1, sc in next ch-1 space; repeat from \* to end finishing with a sc in last ch-2 space, turn.

**Note:** As you work this row and all remaining rows, you MUST get the correct number of sc in each color in order to maintain the planned color pooling. Change hook sizes, or actual st used, to get the correct color in place.

**Row 3 (right side):** Ch 2 (counts as a sc now and throughout), sc in next ch-1 space, \* ch 1, sc in the next ch-1 space; repeat from \* to end, finishing with a sc in last ch-2 space, turn.

**Note:** The color of the sts on this row will shift to the left or right by 1 st from the previous right side row depending on the colorway and if you are right or left handed. It doesn't matter which direction the stitch shifts as long as it is off-set by 1.

**Row 4 (wrong side):** Ch 2 (counts as a sc now and throughout), sc in next ch-1 space, \* ch 1, sc in the next ch-1 space; repeat from \* to end, finishing with a sc in last ch-2 space, turn.

**Note:** The color of the sts on this row will shift to the left or right by 1 st from the previous wrong side row depending on the colorway and if you are right or left handed. It doesn't matter which direction the stitch shifts as long as it is off-set by 1.

Repeat Rows 3 and 4 until Scarf measures 80" (203 cm).

Fasten off.

## FINISHING

Squish or stretch the sts on foundation chain to match the width of the rest of the scarf. You can slide the sts around along the foundation chain, as with an adjustable ring. Unravel unused foundation ch sts and weave in yarn tail to secure foundation.

## Edging

With right side facing and working across foundation edge, join **B** with slip st in foundation ch st under last sc of

Row 1.

**Round 1 (right side):** Ch 2 (counts as a st now and throughout), sc once more in same ch, \* ch 1, sc in next space between sc of Row 1; repeat from \* to ch-3 corner space, (ch 1, sc) 3 times in corner space, rotate scarf to work along long side edge, (ch 1, sc) in each ch space at edge of every other row to corner sc, (ch 1, sc) twice around corner sc, rotate scarf to work along top edge, (ch 1, sc) in each ch-1 space to corner ch-2 space, (ch 1, sc) 3 times in corner space, rotate scarf to work along long side edge, (ch 1, sc) in each ch space at edge of every other row to corner sc, (ch 1, sc) twice around corner sc, ch 1, join with slip st in beginning ch 2, do not turn.

**Round 2 (right side):** Ch 2 (counts as a sc now and throughout), sc in next ch-1 space, \* ch 1, sc in next ch-1 space; repeat from \* to end finishing with a slip st in last ch-2 space. Fasten off.

## Pompom

With **B**, make pompom and attach securely to corners of scarf.

Weave in remaining loose ends.

## ABBREVIATIONS

**ch** = chain; **hdc** = half double crochet; **sc** = single crochet; **st(s)** = stitch(es); \* **or** \*\* = repeat whatever follows the \* or \*\* as indicated.
