# Red Riding Hood Toys

Children will enjoy acting out the classic tale of Little Red Riding Hood while playing with these adorable crocheted characters. Grandma, the Wolf and Red Riding Hood are just the right size to keep on the book shelf next to a copy of the book.

**Little Red Riding Hood and Wolf**  
measure 6" (15 cm) tall.  
**Grandmother measures 7" (18 cm) tall.**

## Special Stitches

**loop st** = Wrap yarn from front to back over the index finger of your yarn hand to a height of about 1½" (4 cm), insert hook in indicated stitch, hook the strand of yarn from behind your index finger and draw through the stitch; with the yarn loop still on your index finger, yarn over and draw through 2 loops on your hook.

**sc2tog** = [Insert hook in next stitch, yarn over and pull up a loop] twice, yarn over and draw through all 3 loops on hook.

## Notes

1. Head, body, and arms of dolls are worked in unjoined rounds with right side facing at all times. Place marker for beginning of round and move marker up as each round is completed. Do not join until instructed.
2. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color. Cut old color.
3. Hold 6 strands of embroidery floss together when making facial features.
4. Draw all ends into head, body, and arms before finishing each doll to minimize weaving in.
5. Refer to photographs as a guideline for placement of all sewn pieces and facial features.
