Special Crochet Stitches

3-hdc popcorn = 3 hdc in indicated stitch, remove hook from loop, insert hook from front to back in first hdc of 3-hdc group, place dropped loop back on hook and draw through.
sc2tog = [Draw up a loop in next st] twice, yarn over and draw through all 3 loops on hook.

Special Knit Stitches

Inc 1 to 5 = Work 5 stitches into one stitch – Knit into front of next st without removing from needle, then knit into back, front, back, and front again of same st.
M1 = Make 1 (Increase) – Lift strand between needles to left-hand needle and knit strand through the back loop, twisting it to prevent a hole.

Special Crochet Technique

Adjustable Ring = Holding the yarn a few inches from the end, wrap around your finger. Do not remove wrap from finger, insert hook into the wrap and draw up a loop of working yarn. Chain one to secure the loop, and remove ring from finger. Work stitches of first round in the ring. Pull gently, but firmly, on tail to tighten ring.

Notes

- Colors **A, B, D, E, F,** and **G** are needed for Gnoella. **A, C, D, E,** and **G** are needed for Gnoah.
- Gnoella is crocheted, and Gnoah is knit. Only small amounts of each color are needed. Many gnomes can be made from 1 skein of each color.
- Head and body are made in one piece. Then arms and legs are worked separately and sewn to body. Bonnet, cap, diaper, and hair are worked separately and attached to finished gnome.
- Stuff pieces lightly. Do not over stuff.

5. Gauge is not critical. Work tightly to ensure that stuffing does not show through stitches.
