Notes

- 1. Sweater is made from four pieces: Back, front, and two sleeves.
- Skull is worked on front by changing colors following Skull Chart. Each square of chart represents one single crochet stitch worked in the indicated color. Read right side rows of chart from right to left and wrong side rows from left to right.
- 3. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color.
- Use separate small balls of yarn for each section of color. Do not carry colors not in use across wrong side of work nor under stitches.
