Border

Notes:
- 1st round (rnd) of Border has been separated into steps.
- When working single crochet (sc) evenly spaced along side edges, work a number of stitches (sts) that will allow the Throw to lie flat, without any puckering or bunching.
- Keep track of the number of sts you work along first side edge and work the same number of sts along second side edge.

1st rnd
Step 1: With B, ch 1. Working through both loops, work 3 **single crochet** (sc) in first dc (first corner made). 1 sc in each dc to end of row. Work 3 sc in top of starting ch (second corner made).

Step 2: Work in sc evenly spaced down first long side edge of Throw to avoid any puckering or bunching.

Step 3: Working across lower edge of Throw, work 3 sc in remaining (rem) loop of last foundation ch (3rd corner made). Work 1 sc in each rem loop of foundation ch across to next corner. Work 3 sc in rem loop of last foundation ch (4th corner made).

Step 4: Work in sc evenly spaced up right side edge of Throw to avoid any puckering or bunching (same number of sts as opposite side). Join with slip stitch (sl st) in first sc. **Do not** turn.
