# Wavy Squares Throw

This throw is crocheted just one square at a time, so it's perfect for a take along project on trips or when socializing as you crochet. You'll love how this yarn makes its own stripes, without changing to a new skein.

**Throw measures 48" wide x 60" long (122 x 152.5 cm).**  
**Square measures 12" x 12" (30.5 x 30.5 cm).**

## Notes

1. Throw is made of 20 squares positioned horizontally and vertically, then sewn together. Refer to Assembly Diagram for direction of squares.
2. To increase or decrease size of blanket, add or omit desired number of squares. Adding squares will require purchase of additional yarn.

## Special Technique

**Join with sc =** Place a slip knot on hook, insert hook in indicated stitch, yarn over and pull up a loop, yarn over and draw through both loops on hook.

**Joining rows:** Working in same manner as joining columns, sew Rows 1 and 2 together, then join remaining rows to previously worked rows.
