## Notes

1. Read pattern carefully. Pay attention  
to row turning instructions. Throw is  
worked in rows but is only turned every  
other row.
2. Two right side rows are worked, the first  
with **A** and the second with **B**. Then  
the piece is turned and two wrong side  
rows are worked, the first with **A** and the  
second with **B**.
3. Do not fasten off yarn until instructed.  
Carry color not in use along side of piece  
when next needed.
4. To change to **A** at the end of a row, work  
last stitch with **B** until only 2 loops  
remain on hook. Remove the loop of **A**  
from stitch marker and place it on the  
hook. Draw the loop of **A** through the 2  
loops of **B** to complete the stitch. Drop,  
but do not cut, **B**.

5. To change to **B** at the beginning of a row,  
insert hook in top ch of beginning ch-3  
of previous row, yarn over with dropped  
strand of **B** and pull a loop through.
