Notes

1. Throw is made from 32 small granny squares and 8 large granny squares each worked in joined rounds with right facing.
2. Strips 1 and 3 are made from 4 large granny squares. Strips 2 and 4 are made from four 4-square motifs. Squares and motifs are joined to form Strips with a "join as you go" technique. Refer to color sequence or Assembly Diagram for colors and joining order.
3. Borders are worked around each Strip and then Strips are joined with the "join as you go" technique.
4. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color. Cut old color.
