# Flower Garden Throw 

This field of flowers gives a feminine touch to your decorating scheme. The crocheted hexagon flower motifs are surrounded by the perfect rainbow of rippling shell stitches. This is a beauty that will please all ages!

## Throw measures 55" ( 139.5 cm ) across

 widest section including border.
## Special Stitches

beginning large shell (beg lg shell) $=$
(Ch 3 (counts as first dc), 2 dc, ch 3, 3 dc) in indicated stitch.
beginning small shell (beg sm shell) $=$
(Ch 3, dc, ch 2, 2 dc ) in indicated stitch.
dc2tog $=$ [Yarn over, insert hook in next stitch, yarn over and pull up loop, yarn over, draw through 2 loops] 2 times, yarn over, draw through all 3 loops on hook.
large shell $(\boldsymbol{I g}$ shell $)=(3 \mathrm{dc}, \mathrm{ch} 3,3 \mathrm{dc})$ in indicated stitch.
sc2tog $=[$ Insert hook in next stitch, yarn over and pull up a loop] twice, yarn over and draw through all 3 loops on hook. small shell (sm shell) $=(2 \mathrm{dc}, \mathrm{ch} 2,2 \mathrm{dc})$ in indicated stitch.

## Special Techniques

## Adjustable-ring method = Wrap yarn in

 a ring, ensuring that the tail falls behind the working yarn. Grip ring and tail firmly between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work stitches of first round in the ring, working over both strands (the tail and the ring). After the first round of stitches is worked, pull gently, but firmly, on tail to tighten ring. Join with sc = Place a slip knot on hook, insert hook in indicated stitch, yarn over and draw up a loop, yarn over and draw through both loops on hook.
## Notes

1. Throw is made from 37 hexagon motifs worked in rounds. Each hexagon is the base for one flower.
2. Sew hexagons together according to Assembly Diagram.
3. Border is worked in joined rounds and does not lay flat.
