Stadium Crochet Lapghan

It only takes 16 large squares to make this easy, striped lapghan. The yarn changes color on its own, so you won't have ends for every new stripe! Yarn is available in many popular team color combos.

Lapghan measures 40 x 40" (101.5 x 101.5 cm) before edging; 42 x 42" (106.5 x 106.5 cm) with edging.

Notes

1. Lapghan is made from 16 Basic Squares.
2. Each Square is worked in half double crochet, back and forth in rows, then an edging is worked all the way around the outer edge of the Square.
3. Squares are arranged as shown in Assembly Diagram and sewn together.
4. An edging is worked all the way around the outer edge of the entire Lapghan.
