Divine Textured Throw & Pillows

What a superbly divine throw to cozy up with! The interesting cable and ridge crochet textures make it the perfect holiday gift to give to a special person on your list...or perhaps keep it and give your house guests the royal treatment with pillows and throw for their comfort.

Throw measures 50 x 70" (127 x 178 cm)
Pillow measures 12 x 12" (30.5 x 30.5 cm)

Special Stitches

picot = Ch 3, slip st in 3rd ch from hook.

reverse sc (reverse single crochet) = Work single crochet in opposite direction from which you would usually work (left to right if you are right-handed, and right to left if you are left-handed). This stitch is also known as crab stitch. It creates a rope-like twisted single crochet ridge.

Notes

1. Throw is made from 20 Squares. Squares are arranged as shown in assembly diagram and crocheted together.
2. Pillow is made from 2 Squares.

THROW

SQUARE (make 20)

With larger hook and A, ch 36.

Row 1 (wrong side): Sc in 2nd ch from hook and in each ch across, turn—35 sc.

Low Front Ridge

Note: Both rows of the Low Front Ridge are worked into the stitches of the previous row. The first row (Row 2) is worked into the front loops only. The piece is then turned and the next row (Row 3) is worked into the free loops of the same row (the free loops are in the front after the piece is turned).

Row 2 (right side): Ch 1, working in front loops only, skip the first sc, slip st in next sc and in each sc across, slip st in turning ch, turn—35 sc.

Row 3: Ch 1, working in the free loops of sts in same row as Row 2 was worked, do not skip first sc, sc in each sc across (do not work in the turning ch), turn—35 sc.

Cable Pattern

Row 4 (right side): Ch 1, sc in first sc, *ch 3, skip next 2 sc of previous row (Row 3), sc in next sc, TURN, work sc in each ch of the ch-3 just made, slip st in the sc that was made just before the ch-3 was made (cable made), TURN; working behind the cable, sc in each of the skipped sc; repeat from * across to last sc, sc in last sc, turn—11 cables.

Note: In the next row, you will work a sc in the first and last sc, and 3 sc evenly spaced behind each cable (on wrong side). The 3 sc behind each cable are worked into the stitches that were worked into the 2 skipped sc. Work 2 sc in the first of these stitches and 1 sc in the other. Do not work into the sc of the cables. Push the cables towards the right side of the Throw as you work.

Row 5: Ch 1, sc in first sc, *working in the 2 sts "behind" the next cable, 2 sc in next st, sc in next st; repeat from * across to last st, sc in last st, turn—35 sc.

Low Front Ridge

Rows 6 and 7: Repeat Rows 2 and 3.

Row 8: Ch 1, sc in each sc across, do NOT turn.

Reverse Single Crochet Ridge

Note: Both rows of the Reverse Single Crochet Ridge are worked into the stitches of the previous row. The first row (Row 9) is worked into the front loops only. The next row (Row 10) is worked into the free loops of the same row

Row 9: Working in front loops only, ch 1, skip the first sc, reverse sc in each sc across, slip st in turning ch, do NOT turn.

Row 10: Working in remaining back loops of Row 8, sc in first sc and each sc across, turn.

Row 11: Ch 1, sc in each sc across, turn.

Square Border

Change to smaller hook.

Round 1 (right side): Ch 1, (sc, ch 1, sc) in first sc (first corner made), sc in each st across to last st, (sc, ch 1, sc) in last st (corner made); working in ends of rows, work 33 sc

evenly spaced across side edge; working across opposite side of foundation ch, (sc, ch 1, sc) in first ch (corner made), sc in next 33 ch, (sc, ch 1, sc) in last ch (corner made); working in ends of rows, work 33 sc evenly spaced across side edge; join with slip st in first sc—140 sc (35 sc across each side of square) and 4 corner ch-1 spaces. Fasten off.

Assembly

Arrange Squares as shown in Assembly Diagram. Crochet edges of five Squares together to make a strip, crocheting neighboring edges of Squares together as follows.

1. Hold 2 Squares with wrong sides together (right sides facing out) and stitches of edge to be joined matching.
2. With smaller hook and working through both thicknesses, draw up a loop of yarn in corner at beginning of edge to be joined, work reverse sc all the way across edge to join Squares. Fasten off.
3. Repeat to make 4 strips. Crochet long edges of strips together in same manner to form Throw.

Throw Border

Round 1 (right side): With right side facing and smaller hook, join yarn with sc in a corner ch-1 space to work across a short edge, sc in each sc and join between Squares across short edge, (sc, ch 1, sc) in corner ch-1 space, sc in each sc and join between Squares across long edge, (sc, ch 1, sc) in corner ch-1 space, sc in each sc and join between Squares across next short edge, (sc, ch 1, sc) in corner ch-1 space, sc in each sc and join between Squares across next long edge, sc in same corner ch-1 space as first sc, ch 1; join with slip st in first sc, do NOT turn—652 sc (145 sc across each short edge, and 181 sc across

each long edge) and 4 corner ch-1 spaces.

Round 2: Ch 1, reverse sc in each sc across long edge to corner ch-1 space, TURN (so wrong side is facing), slip st in corner ch-1 space, ch 1, sc in each sc across short edge to next corner ch-1 space, sc in corner ch-1 space, ch 1, TURN (so right side is facing), reverse sc in each sc across next long edge to next corner ch-1 space, TURN (so wrong side is facing), slip st in corner ch-1 space, ch 1, sc in each sc across short edge to beginning ch-1, sc in beginning ch-1, turn—656 sc (146 sc across each short edge and 182 sc across each long edge). Do not fasten off.

Row 2: Ch 1, sc in each dc and ch-1 space across, turn—147 sc.

Low Front Ridge

Row 3: Ch 1, working in front loops only, skip the first sc, slip st in next sc and in each sc across, slip st in turning ch, turn.

Row 4: Ch 1, working in the free loops of sts in same row as Row 3 were worked, do not skip first sc, sc in each sc across (do not work in the turning ch), turn.

SQUARES

SLIP COVER (optional)

Note: Because color of pillow will show through the stitches in the center, designer recommends sewing a simple slip cover in a similar color for the pillow form before covering with the crocheted squares.

Cut 2 pieces of fabric, 12½ x 12½" (32 x 32 cm). Hold the pieces with right sides together. Leaving a ¼" (6 mm) seam allowance, sew 3 sides of fabric squares together. Turn the piece right side out, insert pillow form. Pin the 4th side closed, tucking ¼" (6 mm) seam allowance to the inside and sew closed.

FINISHING PILLOW

Hold the 2 crocheted Squares with wrong sides together (right sides facing outward). With smaller hook, matching yarn color, and working through both thicknesses, draw up a loop of yarn in any corner, ch 1, work reverse sc all the way across 3 sides to join Squares. Insert pillow form and crochet last side closed, join with slip st in beginning ch-1. Fasten off. Weave in any remaining ends.
