NOTES

- Motifs in A and B begin (beg) with Color 1 [shortest color repeat (rep)] from center of pull-skein, leaving a 4" [10 cm] tail to **weave in**.
- Each color aligns with 1 round (rnd) in the Motif with 5 colors in total. If too much color is left at end of rnd, pull back some stitches (sts) and slightly loosen gauge to re-work sts and finish at color change. If too little color is left, pull back some sts and slightly tighten gauge to re-work sts and finish at color change.
- When Motif is complete, cut yarn where Color 5 (longest color rep) ends, leaving a tail for weaving in. Beg next Motif with Color 1 and rep 5 rnds for each Motif.
