Happy Face Scrubby Emoticons

Whether you use these in the bathroom or kitchen, they will add a happy note to the job at hand. Crochet them quickly in the round and then add the facial features. They are a great gift for social media fans or someone who makes you smile!

Scrubby measures 7½" (19 cm) in diameter.

Special Stitch

surface slip st (surface slip stitch): With yarn held on wrong side, insert hook in indicated stitch or space, yarn over, pull loop to right side and through loop on hook.

Special Technique

Adjustable-ring method: Wrap yarn in a ring, ensuring that the tail falls behind the working yarn. Grip ring and tail firmly between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work stitches of first round in ring, working over both strands (the tail and the ring). After the first round of stitches is worked, pull gently, but firmly, on tail to tighten ring.
