# Tree of Snowflakes

*This impressive snowflake tree is made with  
worsted weight yarn, so it is easier than it looks.  
Seven snowflake doily designs are given for making  
the complete 22-snowflake tree. We suggest  
mounting your snowflakes as shown, so you can  
enjoy them all winter long!*

**Framed doily tree shown measures about  
28½ x 42½" [72.5 x 108 cm]**

## Notes

1. Tree is made from 22 snowflake doilies:  
10 mini doilies, 2 each of 2 different small  
doilies, 2 each of 2 different medium

2. Doilies are arranged on burlap and glued

## FINISHING

Weave in tails and, using sewing needle and white sewing thread, sew down ends on back side of doilies. Block each doily, if desired. Lay burlap flat and iron out any wrinkles. Arrange doilies on burlap, following layout diagram. Using hot glue, glue doilies to burlap.

### Frame Tree

Cut foam core into a rectangle that extends about 3" (7.5 cm) beyond the tree on all sides and will fit into your picture frame. Carefully stretch the burlap over the foam core and pin, sew, or glue the edges to the back side. You may prefer to remove any glass from the frame before inserting the piece into the frame. Insert the piece into the picture frame. The piece could also be professionally framed.
