Heart Wreath

Perfect for Valentine's Day decorating or for any romantic occasion, this heart-shaped wreath is a warm expression of love. Display it on your door, in a window or above the mantel. Heart Bunting can also be used separately wherever you please.

Pattern Note

For easier wrapping, make a 2½" (6.4 cm) ball of each color to wrap around wreath.

WREATH

Push dowel rod through the wreath diagonally as shown in photo before wrapping yarn around wreath. Remove dowel rod. Wrap yarn around wreath alternating colors **A**, **B** and **C**. When changing colors, lay a 2" (5 cm) end of the next color next to end of previous color and wrap next color over both ends. This will help keep yarn from unraveling. After wrapping last color, weave in loose ends and trim.

Small Heart (Make 6 with A and 4 with B)

With **A** or **B**, ch 2.

Round 1: 9 sc in 2nd ch from hook. (9 sc)

Bunting

With **A**, make two chains long enough to drape from right to left side of wreath. Attach the chains with straight pins. Weave in loose ends of yarn.

Alternating colors, sew 4 small hearts to each chain.

Large Heart for Arrow (make 2)

With **A**, ch 2.

Round 1: 6 sc in 2nd ch from hook. (6 sts)

Round 2: 2 sc in next 5 sts, 3 sc in last st. (13 sts)

FINISHING

Arrow

Insert the dowel through wrapped wreath. Add a small amount of glue in each hole to hold dowel in place. With right side facing out, sew remaining two small hearts together, leaving a small opening at the bottom of the heart to insert dowel.

With right side facing out, sew two large hearts together, leaving a small opening at the top of heart to insert dowel.

Add a small amount of glue to each end of dowel. Insert upper end into opening on joined large hearts. Insert lower end into opening on joined small hearts.

Hanger
