Restful Shades Pillow

Soft textures like this furry pillow give your home a soothing atmosphere. Choose Hygge Fur yarn for its calming range of wonderful decorator shades and for its washability. Start with two strands of one color, change to one strand of each color and then use two strands of the second color.

Pillow measures 18" x 18" (45.5 x 45.5 cm) square.

Notes

1. Pillow cover is a long rectangle, folded in half and sewn on 3 sides.
2. Hold 2 strands together at all times.
3. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color. Cut old color.
