Stunning Sampler Stitch Cowl

Not only does this cowl look wonderful, this yarn feels great next to your skin and is fun to knit. A trio of stitch patterns are combined with a contrast stripe to transition from stitch to stitch.

Cowl measures about 62″ [157.5 cm] around and 10″ [25.5 cm] wide.

Special Stitch
M1P (make 1 purl) = Lift strand between needles to left-hand needle and purl strand through the back loop, twisting it to prevent a hole – 1 st increased.

Notes
1. Cowl is made from a long rectangle, worked back and forth in rows. Short ends of rectangle are sewn together to form Cowl.
2. Yarn color and pattern stitch are changed to form sections of different color and texture.
3. Three different pattern stitches are used: Seed Rib, Chevron, and Eyelet Ridges.
4. Cowl can be worked by following written instructions or reading the charts. Read right side rows of charts from right to left and wrong side rows from left to right.
