Out of This World Cowl

*With just two balls of this super bulky shaded
yarn you can quickly knit this amazing cowl!
Created with a Knit 2, Purl 2 rib, this project
is great for beginners.*

Finished Size: 5" (12.5 cm) wide x 84"
(213 cm) long, before finishing

Note

Before you begin, look at each end of yarn to compare colors. In order to make the transition between one ball and the next less obvious, decide whether to begin your project with the outer end, or the center-pull end of each ball.

COWL

Cast on 16 sts.

Row 1 (Right side): (k2, p2) across.

Repeat Row 1 for pattern until piece measures approximately 84" (213 cm) from cast on edge or to desired length.

Bind off all sts loosely in pattern, leaving a long end for sewing.

FINISHING

Thread needle with long end. Twist bind off end of Cowl once around. Place wrong sides of ends together; sew seam.
