Beginner Knit Skinny Scarf

A Garter stitch skinny scarf is a satisfying and time-honored first project. It's easy enough that even beginners can complete this scarf.

Project size: Scarf measures about 4" [10 cm] wide x 80" [203 cm] long.

PATTERN

Pattern Notes

1. The scarf is made by casting on stitches then working rows, knitting every stitch of every row.
2. Knitting every stitch of every row is known as Garter stitch. Working in Garter stitch creates thick fabric with a pebbly appearance on both sides.

SCARF

Cast on:

1. Make a slip knot and place it on one needle. The slip knot counts as the first stitch.

2. Cast on 13 more stitches for a total of 14 stitches on the needle.

3. **Row 1:** Knit each stitch all the way across.

SHOP KIT

Repeat Row 1 until piece measures about 80" [203 cm].

Bind off:

1. Knit 2 stitches.

2. Lift the second stitch from the point of the right needle over the first stitch and drop it off the needle (one stitch has been bound off).

3. Knit 1 stitch.
4. Lift the second stitch from the point of the right needle over the first stitch and drop it off the needle (one more stitch has been bound off).
5. Repeat steps 3 and 4 until all stitches have been knit off the left needle and there is only one stitch remaining on the right needle.

6. Cut the yarn, leaving a 6" [15 cm] tail. Draw the tail through the last stitch, drop the stitch from the right needle, and pull on the tail to tighten.

Finishing

Using yarn needle, weave in yarn tails.
