## Fantastic Brioche Scarf

This Brioche stitch scarf is worked with two colors at each end and just one color for the center section. You'll love how it is reversible and the thicker yarn makes for sublime coziness.

Scarf measures 9" [23 cm] wide x 65" [165 cm] long.

### NOTE

Scarf ends are worked in Two-Color Brioche st. Center section is worked in Brioche st using one color. Two-Color Brioche stitch is worked back and forth in rows on circular needle. One color will be worked for 1 row. Do not turn your work, but push sts to opposite end of needle ready to work in same direction again with second color. Work second color for 1 row with same side showing. Then work is turned and first color is worked then second color without turning work in between rows along opposite side. Do not count yarn overs when counting sts.
