Susan Bates® Knitting Needles:
5.5 mm [US-9]

Sewing needle and matching
sewing thread

RED HEART® Boutique
Sassy Fabric™, E818
available in prints
30 yd (27 m) hanks

Ruffles Go Wild

Choose your animal, panther or leopard, and create a unique ruffled fabric scarf in little time! This scarf is knit through holes along one edge of the soft, sheer Sassy Fabric strip. The other edge is scalloped for a nice finish.

Scarf measures 3" x 65" (7.6 x 165 cm)

Notes

1. Before starting, slide ball band to one end of hank. Remove cardboard from center of hank. Begin your scarf with inside end of Sassy Fabric and continue pulling from inside as you knit.
2. Note that fabric has holes running along one side. You will be knitting into each hole.

SCARF

Cast On

Starting 3" (7.6 cm) from end, insert needle from back to the front through next 4 holes at the top of the fabric.

Knit

Pick up right hand needle and knit into each hole. Continue knitting these 4 stitches on each row.
Stop knitting when you have 1 yard left for binding off.

FINISHING

Bind off as usual. Pull the end of the fabric through the last bound off stitch and tighten. Trim leaving a 3" (7.6 cm) end. To finish the ends, fold under the edge and tack inside with sewing needle and matching thread.
