Sassy Lace™, Art E816  
available in 30 yd  
(27 m) hanks

# Fancy Frills Knit Scarf

*Create a unique ruffled lace scarf in little time!  
This scarf is knit through holes along one edge of  
the sheer Sassy Lace strip. The other edge has a  
pretty floral border for a romantic finish.*

Scarf measures 3" x 55" (7.6 x 140 cm)

## Notes

1. The lace strip has holes running along one side. You will be knitting into each hole.
2. Leave 3" unknitted at the beginning and end of your project.

## SCARF

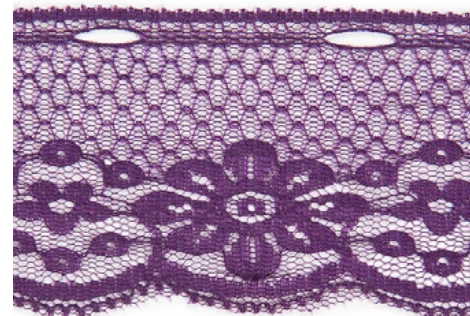

Insert needle 5 times from back to the front through each hole at the top of the fabric.

Pick up right hand needle and knit into each hole. Continue knitting these 5 stitches on each row, always turning your work in the same direction at end of rows.

Stop knitting when you have 1 yard left for binding off.

## FINISHING

Bind off as usual. Pull the end of the fabric through the last bound off stitch and tighten. Trim leaving a 3" (7.6 cm) end. To finish the ends, fold under the edge and tack inside with sewing needle and matching thread.
