# Ready Set Ruffles

*Add a bit of glam to your off-to-the-game  
look! Sashay comes in the most popular  
team colors so you can cheer on the team in  
a feminine way.*

Scarf measures 4" x 62" (6" X 38")

Directions are for 62" scarf; changes for 38"  
long scarf are in parentheses.

## NOTE

For longer scarf cast on 6 stitches; for a  
shorter scarf cast on 10 stitches.

Stretch one end of the Sashay open for several  
inches and lay it flat, placing the edge with the  
metallic thread along the bottom. Notice that  
the Sashay yarn is a mesh of holes. You will be  
working with the top of the mesh and leaving  
the metallic edge loose to form the ruffle. You  
are using the top railroad track of holes as if  
it is yarn.

## SCARF

Beginning at the top right edge, insert tip of a  
knitting needle from back to front starting 4"  
(10 cm) from end and using top row of holes  
(railroad tracks). Continue inserting needle 5  
(9) more times skipping 1 hole between each  
stitch. You now have 6 (10) cast on stitches.  
Place this needle in left hand.

Pick up right hand needle and knit between  
the top two threads of the mesh (railroad  
tracks) going into every other hole.

Continue knitting these 6 (10) stitches on each  
row, turning your work in the same direction  
at end of rows.

Put your work down and open up the mesh as  
you go. Stop knitting when you have 24" (61  
cm) left for binding off.

## FINISHING

Bind off as usual drawing the end of the  
Sashay through the last bound off stitch. Trim  
leaving a 4" (10 cm) end. To finish the ends,  
fold under the corner and tack to inside with  
sewing needle and thread.
