## SCARF

### To cast on

Roll end of yarn over twice to hide raw edge. Insert knitting needle in and out of this rolled section twice going through all thicknesses; you now have 2 stitches on your needle.

**Row 1 (RS):** Open up tube as you go and space stitches 2 inches apart. K2, working under several top threads.

Repeat row 1 in this way until you have 4 to 5 inches remaining.

### To bind off

Weave in remaining end of yarn.

If desired, tack down with needle and thread to secure.
