

NOTE: For best results, work with the yarn in between the pom poms and do not pull the pom pom through the stitch on the needle.

Using the knit method, cast on 12 sts.

Knit every row, working 2 stitches between each pom-pom until about 35½" from beginning or until there are 8 pom-poms left from the ball. Bind off. Weave in ends.

For a narrower scarf, cast on twice as many stitches as you want pom-poms per row: 4 pom-poms per row = about 3" and 8 stitches.
