Scarf measures about 80" [203 cm] along longest side, 46" [117cm] along shorter side, and 11" [28 cm] wide from side to side at widest.

Notes

1. Scarf is worked from one point across to second point.
2. Increases are worked along one side edge only until final width is achieved. The center section is worked even. Then decreases are worked along the same side edge as increases until second point is reached.
3. Each row is worked in Double Moss Stitch pattern with 2 Garter stitches (knit) along the shaped side.

Special Stitches

ssk (slip, slip, knit) = Slip next 2 stitches, one at a time, as if to knit to right needle, insert point of left needle through front of stitches, knit these sts together through back loop – 1 st decreased.
