Row 5: K3, yo, k2, work Row 5 of Lace chart between markers, k2, yo, k1 center st, yo, k2, work Row 5 of Lace chart between markers, k2, yo, k3 – 57 sts.

Rows 7-80: Continue to work 4 increases every right side row and correct rows of Lace chart as established, working added sts in St st until there are enough sts in those sections to begin another Lace pattern – 205 sts at end of Row 80 and 4 Lace pattern repeats have been completed.

Note: You can increase until you have enough sts to work a complete (19-st) repeat of the Lace chart between the existing repeats. To introduce the new repeats more gradually, you can increase until you feel comfortable working partial Lace chart rows. There are many different ways to introduce the repeats gradually. A chart is provided showing one suggested increase pattern. When introducing repeats gradually, take care to work the same number of increases and decreases within the partial rows.
