Dramatically Stunning Leaves Shawl

You'll love the way each leaf is added without changing the color of your yarn. Just one continuous ball of yarn is all you need to make this striking accessory!

Shawl Measures 42" (106.5 cm) across neck edge and 20" (51 cm) in length at longest point.

Final size may vary due to variations in the length of each color section in the yarn.

NOTES

1. If there is not enough of the contrast-color section of the yarn to finish up the all the rows for the Leaf, end after any right side row, make sure you have at least 70" (178 cm) of yarn remaining, and work the last row of the Leaf.
2. If there is not enough of the main-color section of the yarn to finish up the all the rows for the Stripe, end after any wrong side row, make sure you have at least 150" (381 cm) of yarn remaining, and work the last 2 rows of the Stripe.

SPECIAL TECHNIQUE

W&T (wrap and turn) = Bring yarn to front, slip next st, turn, wrap yarn around slipped st and slip same st back onto right hand needle. On next row, work wrapped st by picking up the wrap and working it together with the wrapped st.

SHAWL

Starting with the main color of the yarn, cast on 120 sts.
Work 10 rows in Garter st (k every row).
