Designed by Italian Story Design Team

Shawl measures about 14½" [37 cm] long at center back and 43½" [110.5 cm] wide at widest (from point to point).

Notes

1. Shawl is worked from inwardly curving top edge downwards
2. Yarn over increases are worked on each edge of every row to shape shawl and form decorative eyelets.
3. Circular needle is used to accommodate large number of stitches. Work back and forth on circular needle as if working with straight needles.

Special Stitches

KyoK (Knit, yarn over, knit) = Knit next stitch but do not remove from needle, yarn over, knit into same stitch and remove from needle - 2 sts increased.
