Lovely Knit Shawl

You'll adore how soft Amore yarn is! Knit this shawl in your favorite color combination for a sweet-feeling project.

Shawl measures 66" (167.5 cm) wide x 13¾" (35 cm) at longest point.

NOTES

A circular needle is used to accommodate large number of stitches; do not join.

To keep the edges neat and carry unused colors along the side:

- At the beginning of the Right Side row, bring the color strand that will not be in use to front of work.
- Bring working yarn behind the other strand.
- Pull the bottom of the fabric as you knit the first stitch to make the strand at the side long enough to prevent puckering.

Special Abbreviations

kfb = knit into the front and back of the same stitch - 1 stitch increased.

w&t = wrap and turn. Knit to the point where you will wrap and turn. Bring the yarn to the front between the needles. Slip the next stitch on the left needle purlwise to the right needle. Bring the yarn to the back between the needles. Slip the stitch from the right needle back to the left. Turn work to knit in the opposite direction.
